

SRI GURAJADA APPARAO GOVERNMENT DEGREE COLLEGE

(Re-accredited by NAAC with 'A' Grade, Affiliated to Andhra University)

YELLAMANCHILI - 531055, ANDHRA PRADESH

INSTITUTIONAL GOVERNANCE

| Name of the Committee | Functions |
|----------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. Staff Council | It is the advisory body to assist the Principal in academic matters and maintenance of discipline. |
| 2. Student Union Committee | The committee represents the students' opinions and protects their rights. All the students are deemed as members of this committee. It encourages the students to participate in academic competitions and plays an active role in organizing extra-curricular events at the college level. |
| 3. Literary Association | The committee motivates the students to improve their communication skills and improve all aspects of learning a language. It tries to sharpen the literary and aesthetic skills of the students by organizing literary competitions in English and regional languages. |
| 4. Humanities Association | It encourages the students in developing conceptual knowledge in the field of humanities. It promotes cultural and social awareness and helps students enhance their creative thinking skills. |
| 5. Commerce Association | The association tries to bridge the gap between the theoretical and practical knowledge of students by organizing industrial and field visits and encouraging the students to undertake internships. |
| 6. Science Association | The association tries to create scientific awareness among the students by celebrating Science Day and inviting eminent faculty to deliver extension lectures on scientific topics. It also conducts competitions to involve students in the process of creative thinking. |
| 7. Games and Sports Committee | Trains students in various games and sports and prepares them to participate in various competitions at Institutional, University, State, and National levels. The committee members accompany the participants to various institutes and States and provide support and guidance, and motivation. It takes care of funds allocated for games and sports. |
| 8. Library Committee | The committee keeps a track of the books received and helps the convener in allotting accession numbers to them. It also assists in updating the digital database of the Library Accession Register. The committee creates awareness among the staff and students about using Open Educational Resources, E-Books, and Inflightnet. |
| 9. PG Committee | The committee members give orientation about the entrance exams and guide the students in applying for various PG CETs. |
| 10. College Admission Committee | The Admission Committee looks after the online admission process into various UG courses offered by the institute. The members study the application for |

| | |
|-----------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | verifying the eligibility criteria and allot seats according to merit. They also scrupulously follow the roster and admit candidates against the number of seats sanctioned by the Government for particular categories. |
| 11. Academic Committee | The Committee guides the teaching faculty in academic matters and updating of academic records. It also helps the students in understanding the course requirement under the CBCS and reviews academic records of the departments to assess their progress. |
| 12. Bio Metric Committee | This Committee acquires the required data from the newly admitted students and enrolls them in the Integrated Attendance Management System launched by the Government of Andhra Pradesh. The fingerprints and iris of the students are scanned and the information is updated. The Committee also creates various sections in the College IAMS App and helps the faculty in adding the students in their particular sections. |
| 13. JKC | The Committee admits preferably final year students for training in a certificate course offered by Jawahar Knowledge Centre. Annually three batches are trained with a maximum strength of 50 students per batch. The program is intended to provide employability skills and communication skills to the candidates. It also makes arrangements for organizing various Campus Recruitment Drives for offering placement opportunities for the trained students |
| 14. IQAC Committee | The IQAC works with the objective of enhancing and sustenance of quality education. The major thrust areas are student enrolment, student participation in co-curricular activities, quality improvement, promotion of quality research culture, enhancement of infrastructural facilities, best academic practices, and support services |
| 15. Examination Committee | The Committee conducts both University examinations and Internal Mid Examinations. It maintains a record of internal and external marks of the students enrolled in various courses. |
| 16. Disciplinary Committee | The Disciplinary Committee is responsible for maintaining discipline on the campus. It instructs the students about proper dress code, using polite language, and following social etiquette. It informs the students about various sections of law which forbid ragging and ensures a ragging-free campus by maintaining discipline among the students. |
| 17. Career Guidance and Placement Cell | The Committee provides career guidance by inviting experts from different sectors for creating awareness regarding various career options. It also notifies the students about competitive exams by forwarding notifications through social platforms. A number of skill-oriented online and offline certificate courses are offered to the students. The Career Guidance Cell, in collaboration with JKC, organizes Campus Recruitment Drives to provide placement opportunities to the students. |

| | |
|-------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 18. Women Empowerment Cell | The Women Empowerment Cell (WEC) organizes programs to create awareness on gender-related issues for both staff and students and educates them about health, hygiene, the problems of eve-teasing, the importance of learning skills of self-defense, and important helplines in times of emergency, etc. The Committee conducts various competitions in order to create this awareness and also makes arrangements for periodic health camps. |
| 19. NSS Committee | The motto of NSS is 'Not Me But You. It motivates the volunteers to inculcate the true essence of democratic living and encourages them to involve in selfless service and be empathetic. It works on the principle that the welfare of the individual is determined by the welfare of society as a whole. The three Units of NSS have adopted the neighboring villages, visit them frequently and conduct a number of activities there. |
| 20. Eco Club | The Eco Club's primary motive is to save the environment by creating awareness about environment-related concerns. It organizes many programs and celebrates Environmental days and educates the students about the importance of plantation and inculcates an eco-friendly attitude. It organizes several plantation drives and extension lectures about our social responsibility towards the environment. |
| 21. Consumer Club | The Consumer Club celebrates National Consumer Day and conducts programs and arranges Extension lectures to create awareness about the rights of consumers. |
| 22. Grievance Redressal Cell | The Cell looks into the grievances received from both faculty and students and resolves them. |
| 23. RUSA Committee | The Committee keeps a record of funds received from RUSA for the development of college infrastructure. It plans and executes the RUSA schemes and acquires and submits the financial quotations. |
| 24. UGC Committee | The committee takes resolutions to utilize the budget sanctioned by UGC and prepares quotations. It submits the budget utilization reports and gets them audited. It utilizes the budget for various schemes related to college development. |
| 25. College Website Management Committee | The Committee maintains the college website and keeps updating the latest information and details. |
| 26. Anti-Ragging Committee | The committee creates awareness about the negative consequences of indulging in ragging. It ensures that there is no ragging on both the college campus and in the hostel premises. |
| 27. Alumnae Association | The Committee keeps in touch with alumnae of the college and organizes periodical meetings. It also makes arrangements to facilitate the alumnae and current students' interaction so as to motivate them. The committee encourages the alumnae to contribute to Alumnae Association Funds and take part in the development of the institution. |
| 28. Certificate Courses | The committee encourages the staff to offer Certificate Courses to all the students in addition to the regular |

| | |
|-------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | course and enrolls the students in various online courses on the MOOCs platform. It also guides them in the completion of those courses. |
| 29. Co-Curricular Activities | Plans various Co-Curricular activities in the college and helps the faculty in organizing them. |
| 30. MANA TV Committee | The Committee circulates the information about the live MANA TV programs to be broadcast by the Commissionerate of Collegiate Education during the semester and ensures that all the concerned staff and students watch them. It also maintains the MANA TV infrastructure and attendance records of the students who attend the programs. |
| 31. RTI Committee | The committee monitors any representations received from the stakeholders seeking institutional information. It maintains a record of representations and complaints received and addressed. |
| 32. Time Table Committee | The committee acquires the workload of all the members of the teaching staff and frames the timetable for all the departments. It also specifies the lecture halls where the classes have to be engaged |
