

ALUMNI ASSOCIATION MEET

The Annual Alumni Meet of the SGA Government Degree College, Yellamanchili was organized by the Department of Zoology on December 6th of 2021. The Day started with the invitation of the Alumni association president. After which the principal and president addressed gathering and shared their experiences finally given a stress on the role of Alumni association. After this, feedback was taken with the students and teachers. This was followed by refreshments and one-to-one sessions wherein the students discussed about educational opportunities with the alumni. It was a very informative session as students got to know the ways to prepare for different educational paths, be it about pursuing a masters or going for job. Many students came forward to enrich the college by donating Chairs, Printers, investors and Tables for necessary rooms. Finally, Alumni meet was ended with the honoring of Principal and faculty. Overall, the day was a true learning and networking experience for the students.
