Felicitation to the Principal on the Occasion of January 1st

On the joyous occasion of January 1st, the staff members of the college organized a felicitation programme to honour the respected Principal in a spirit of gratitude and goodwill. The staff members expressed their heartfelt appreciation for the Principal's dedicated leadership, guidance, and continuous support in promoting academic excellence and institutional growth. As a token of respect, the Principal was felicitated with a shawl and memento, symbolizing the collective esteem of the staff.

In response, the Principal thanked the staff members for their cooperation and encouragement and inspired everyone to work together with renewed enthusiasm and commitment in the New Year. The programme concluded with warm New Year wishes and hopes for continued success and progress of the institution.

New Year – A Fresh Beginning for Excellence

I extend my warm and heartfelt wishes to all of you for a very Happy New Year. A new year marks a fresh beginning filled with new hopes, new responsibilities, and new opportunities to grow. As we reflect on the past year, I sincerely appreciate your dedication, hard work, and commitment in guiding our students and contributing to the success of our institution. This New Year, let us renew our focus on academic excellence, discipline, innovation in teaching, and holistic development of students. Let us work together as a strong team, support one another, and create a positive learning environment.

Bhogi Bonfire Ceremony !

The Lighting of Bhogimanta was celebrated with great traditional spirit and enthusiasm on the campus as part of the Sankranthi festival. Students and staff gathered together to light the Bhogi fire, symbolizing the burning of old and unwanted things and welcoming new beginnings. The event reflected the cultural significance of Bhogi, promoting unity, positivity, and respect for traditions. The celebration created a joyful atmosphere and helped students understand the importance of Indian festivals and cultural values.

Principal Of Putturu government degree college

visited to SV University

The Principal of Government Degree College, Puthuru, met our students at Sri Venkateswara University as part of an academic interaction. During the visit, the Principal motivated the students to focus on their studies, career goals, and personal development. The interaction was encouraging and informative, and it inspired the students to work harder towards achieving academic excellence and future success. The interactive session also allowed students to clarify their doubts regarding higher education and career opportunities. The Principal highlighted the role of perseverance, ethical values, and self-confidence in achieving long-term success. Overall, the interaction proved to be a motivating experience, leaving a positive impact on the students and reinforcing the institution's commitment to holistic education and academic growth.

Women Teachers' Day Celebration in Honour of Savitribai Phule

The Women Teachers' Day was celebrated on the occasion of the birth anniversary of Savitribai Phule to honor her remarkable contribution to women's education in India. Savitribai Phule was the first woman teacher and a great social reformer who worked tirelessly for the upliftment of women and the promotion of education. On this occasion, women teachers of the institution paid rich tributes to her and highlighted her inspiring life and achievements. The celebration aimed to motivate students and staff to follow her ideals of equality, empowerment, and social justice. The program concluded with a message that education is the strongest tool for transforming society, as shown by Savitribai Phule's legacy.

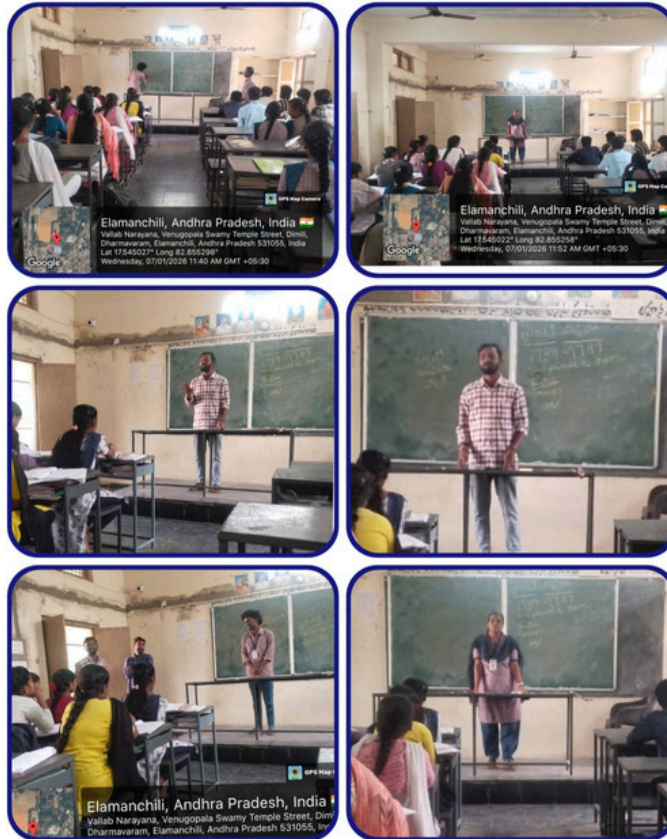

NPTEL AWARENESS PROGRAM

An NPTEL Awareness Program was organized for both faculty and students to promote the effective use of online learning platforms and certification courses offered by NPTEL (National Programme on Technology Enhanced Learning). The program focused on the importance of continuous learning, professional development, and skill enhancement through NPTEL courses. Faculty members were encouraged to integrate NPTEL resources into their teaching practices, while students were motivated to enroll in relevant courses to strengthen their subject knowledge and improve career prospects. The session also provided guidance on course registration, duration, assessment methods, and certification benefits. Overall, the program created awareness about the value of digital education and inspired participants to actively engage in lifelong learning.

Student Exchange Program by Department of History

The Department of History conducted a Student Exchange Program to provide academic exposure and enhance learning beyond the classroom. The program aimed to promote interaction between students of different institutions and to encourage the exchange of ideas, knowledge, and cultural understanding. As part of the program, students participated in academic discussions, seminars, and group activities related to historical studies. The exchange helped students gain new perspectives, improve communication skills, and develop a deeper interest in the subject. The program was informative and beneficial, contributing to the overall academic and personal growth of the students.
