Impact of Temperature on Human Heart rate

Temperature is one of the most critical environmental factors influencing the human body's physiological processes. Among the organs affected, the heart plays a pivotal role in maintaining homeostasis through circulation and thermoregulation. Variations in ambient temperature can significantly influence heart rate, either directly or indirectly, as the body adapts to maintain internal balance.

Spreading Smiles: NSS Visit To Old Age Home By Students

As part of the National Service Scheme (NSS) initiative to instill the values of compassion, service, and social responsibility among students, a visit to a local old age home has been organized. The visit aims to provide students with an opportunity to interact with the elderly residents, understand their life experiences, and offer emotional support through meaningful conversations, cultural performances, and companionship. This initiative not only brings joy to the residents but also helps students develop empathy, gratitude, and respect for senior citizens.

National Webinar On "Science Without Borders"

Speech Highlights by Dr. Sivaji Chadharam – Scientist G

National Webinar on "Science and Technology: Science Without Borders"

In the national webinar, Dr. Sivaji Chadharam, Scientist G, emphasized the transformative role of science and technology in bridging global divides. He highlighted that science, by its very nature, transcends borders and is a shared endeavor aimed at addressing global challenges such as climate change, healthcare, and food security. In conclusion, Dr. Chadharam emphasized that science without borders is not just an ideal but a practical reality that holds the potential to build a more connected, sustainable, and equitable world. He encouraged participants to continue pushing the boundaries of innovation and to collaborate for the greater good of humanity.

The National Webinar on “Science Without Borders” aims to promote the idea that science knows no boundaries—geographical, political, or cultural. It encourages collaboration among scientists, researchers, and institutions across nations to solve global challenges and advance scientific knowledge. Science Without Borders is not just a concept—it’s a movement towards a more united and cooperative scientific community. This webinar offers a platform to inspire participants to think globally and work together for a better, scientifically advanced world.

"Awareness Programme Being Organized by Women Empowerment Cell"

The Women Empowerment Cell is organizing an Awareness Programme to educate girl students about the growing threat of social media crimes. In today's digital world, where social media is a part of everyday life, it is essential to understand both its benefits and its dangers. The session will be addressed by SI Madam, an experienced officer from the local police department, who will share valuable insights on cybercrime awareness and prevention.

Teachers' Day Felicitation: Honoring Senior Lecturers

Teachers' Day Felicitation Ceremony

On the auspicious occasion of Teachers' Day, our college held a special felicitation ceremony to honor the exemplary dedication and service of senior lecturers P.S. Jaggaro and R. Ramarao. Their unwavering commitment to academic excellence and student development has greatly contributed to the growth and success of the institution. The event celebrated their years of hard work, mentorship, and passion for teaching, inspiring both students and faculty members alike. The college community expressed heartfelt gratitude and appreciation for their invaluable contributions to education.

In a moment of immense pride and inspiration, three outstanding students from the B.Com department have been selected to serve in the Indian Air Force, soaring high and setting an example for their peers and juniors. Their achievement, under the banner “Wings of Success”, reflects not only their personal dedication and hard work but also the strong academic and moral foundation provided by the institution. These students have successfully cleared all stages of selection, including the written exams, physical fitness tests, and personal interviews conducted by the Indian Air Force recruitment board.

Teacher's Day Celebrated By Students

Happy Teachers Day !

Teachers' Day was celebrated with great enthusiasm and gratitude by the students to honor the hard work and dedication of their teachers. The celebration took place on September 5th, marking the birth anniversary of Dr. Sarvepalli Radhakrishnan, a renowned scholar and former President of India. Students organized a special program that included speeches, cultural performances, and a heartfelt tribute to the teachers. The event began with a welcome address, followed by songs, dances, and skits performed by the students, showcasing the invaluable role teachers play in shaping young minds. Handmade cards and gifts were presented to teachers as tokens of appreciation.

Teachers' Day Celebrations: Honoring and Congratulating Our Educators

On the occasion of Teachers' Day, our college warmly congratulated all the teachers for their unwavering dedication, hard work, and commitment to shaping the future of students. The celebrations highlighted the invaluable role teachers play in imparting knowledge, fostering growth, and inspiring excellence. Our Principal, Dr. P. Chandrashekar, extended his heartfelt congratulations to all teachers, appreciating their continuous efforts in nurturing talent and guiding students towards success. The event was a tribute to the passion and perseverance of all educators who contribute tirelessly to the academic community.

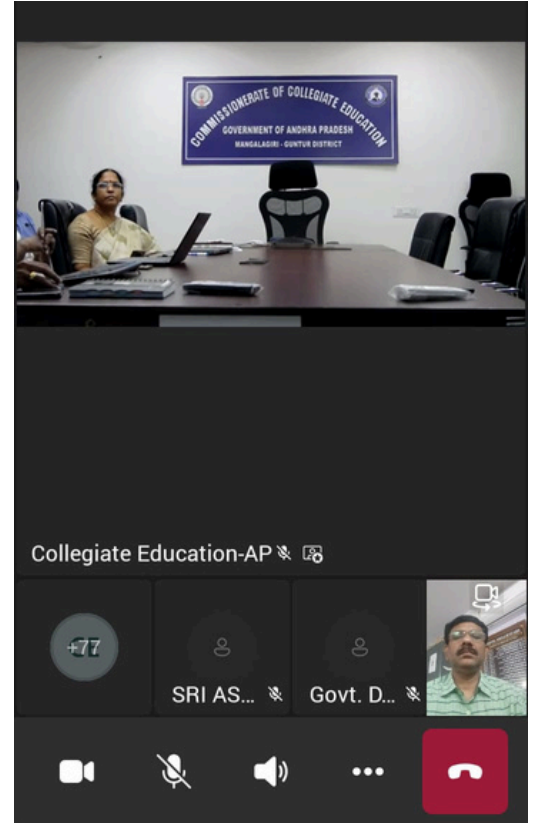

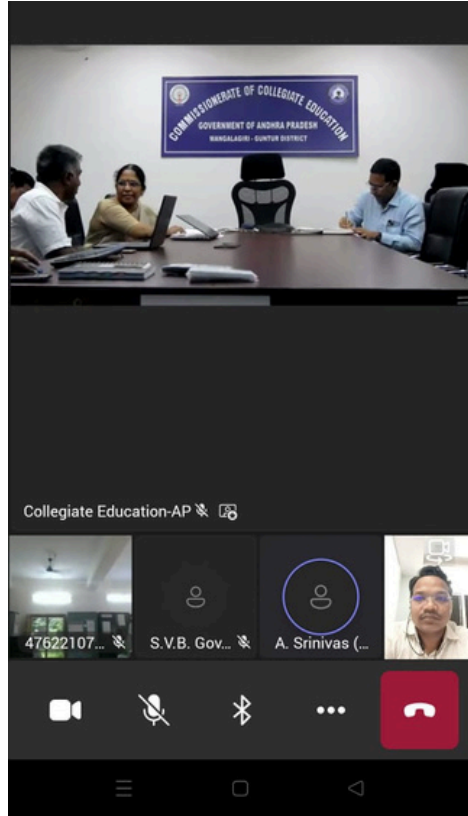

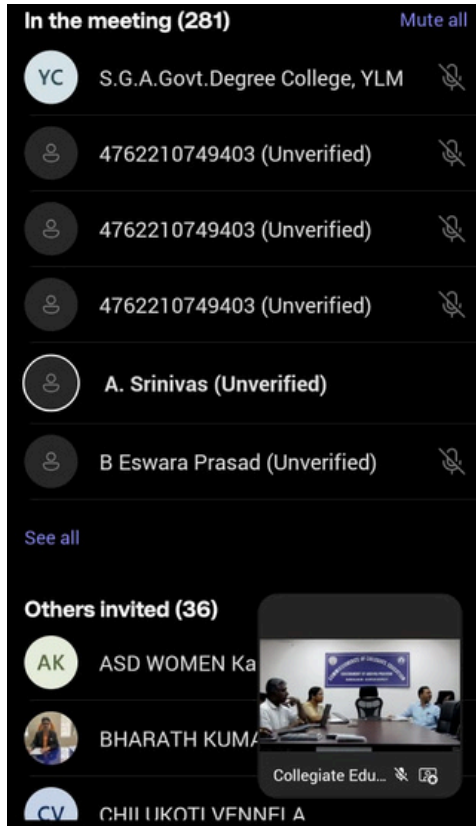

"A Proud Moment: SBI Honours SGAGDC Principal on Teachers' Day"

On the occasion of Teachers' Day, the State Bank of India (SBI) took a noble initiative to honor distinguished educators in the region. As part of this celebration, Dr. P. Chandra Shekar, Principal of Sri Gurajada Apparao Government Degree College, Yellamanchili, was felicitated for his outstanding contribution to the field of education and academic leadership. The felicitation ceremony was held on our college, where representatives from SBI acknowledged Dr. P. Chandra Shekar's dedication to empowering students. Dr. Chandra Shekar expressed his gratitude for the recognition and emphasized the importance of values-based education and teacher-student relationships in nation-building. The entire SGAGDC Yellamanchili fraternity felt proud of this recognition and celebrated the moment as a testament to the principal's tireless efforts and commitment to educational advancement.

College Representatives Participate in CCE Meeting

Principal Dr. P. Chandrasekhar and Kishore Sir, Lecturer in Commerce, recently attended the Continuous and Comprehensive Evaluation (CCE) meeting. The meeting focused on enhancing the effectiveness of the CCE system to ensure holistic assessment of students' academic performance and overall development. Discussions included evaluation strategies, implementation challenges, and best practices for improving student learning outcomes. Dr. Chandrasekhar and Kishore Sir actively participated in the deliberations, sharing their valuable insights and experiences from the college. Their involvement reflects the institution's commitment to maintaining high educational standards and adopting progressive assessment methodologies.

Sri P.S. Jaggarao Delivers Inspiring Guest Lecture

Sri P.S. Jaggarao, esteemed faculty member of Sri Gurajada Apparao Government Degree College, Yellamanchili, was invited as a guest speaker to deliver a lecture. The session was part of an academic enrichment program organized by the host institution to provide students with expert insights beyond the classroom, where Sri Jaggarao shared his deep knowledge and practical understanding of the subject, captivating the audience with real-life examples, thought-provoking ideas, and interactive discussion. The students and faculty members of the host college expressed their appreciation for the clarity, relevance, and enthusiasm of the session. His session not only enriched the students' academic knowledge but also inspired them to pursue excellence.

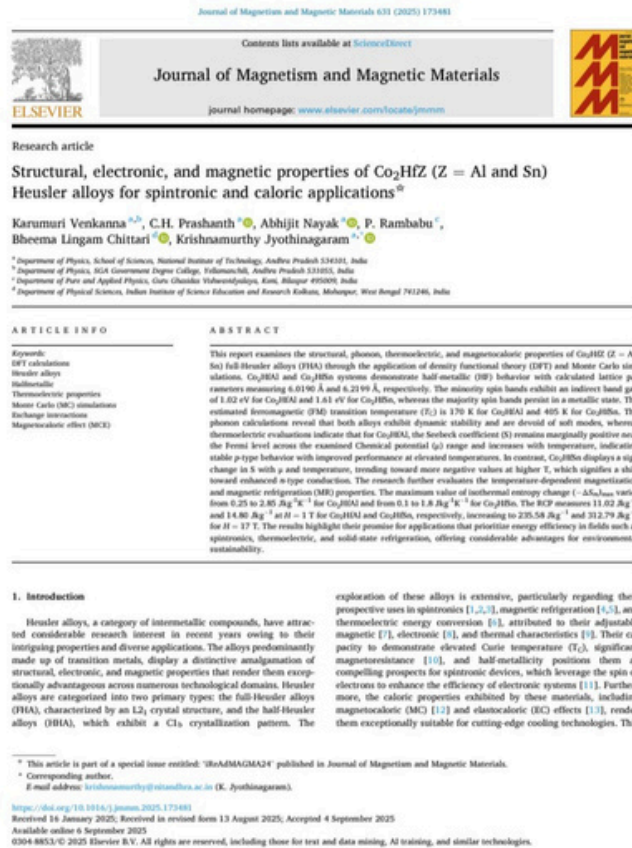

Dr. Vijaya Bharathi's Inspiring Hindi Talk Broadcast on All India Radio

We are proud to announce that Dr. Vijaya Bharathi, esteemed Lecturer in Hindi, was invited to deliver a special talk on All India Radio, marking a significant academic and cultural achievement. In her eloquent and insightful talk, Dr. Vijaya Bharathi emphasized the deep cultural and emotional roots of the Hindi language. She spoke about how Hindi acts as a powerful medium that connects India's diverse linguistic communities, and preserves our literature, traditions, and collective identity. She also discussed the evolving role of Hindi in contemporary society and its importance in youth education and national integration. The college community congratulates Dr. Vijaya Bharathi on this remarkable opportunity and recognition. Her participation in such a prestigious national platform brings great pride to the institution and serves as a motivation for fellow faculty members and students alike.

Research Published in Reputed Journal JMMM (Impact Factor 3.0)

We are proud to announce that Sri K. Venkanna, Lecturer in the Department of Physics, has recently published his innovative research work in the internationally reputed journal Journal of Magnetism and Magnetic Materials (JMMM), which holds a notable impact factor of 3.0. His research contributes significantly to the field of magnetism and material science, showcasing a deep understanding of advanced physical phenomena and their applications. The publication in JMMM reflects the high quality, originality, and relevance of his work, further establishing the academic reputation of our institution. We congratulate Sri K. Venkanna on this remarkable achievement and wish him continued success in his future research endeavors.

Participation in Annual General Meeting at Andhra University

We are pleased to share that our Physical Education Teacher (PET) actively participated in the Annual General Meeting held at Andhra University. This significant event brought together educators and professionals in the field of physical education to discuss recent developments, share best practices, and plan future initiatives to enhance physical education at all levels. The participation of our PET in such a prestigious meeting reflects our institution's commitment to continuous professional development and staying updated with the latest trends in the field. It also strengthens our engagement with academic and physical education communities across the state.

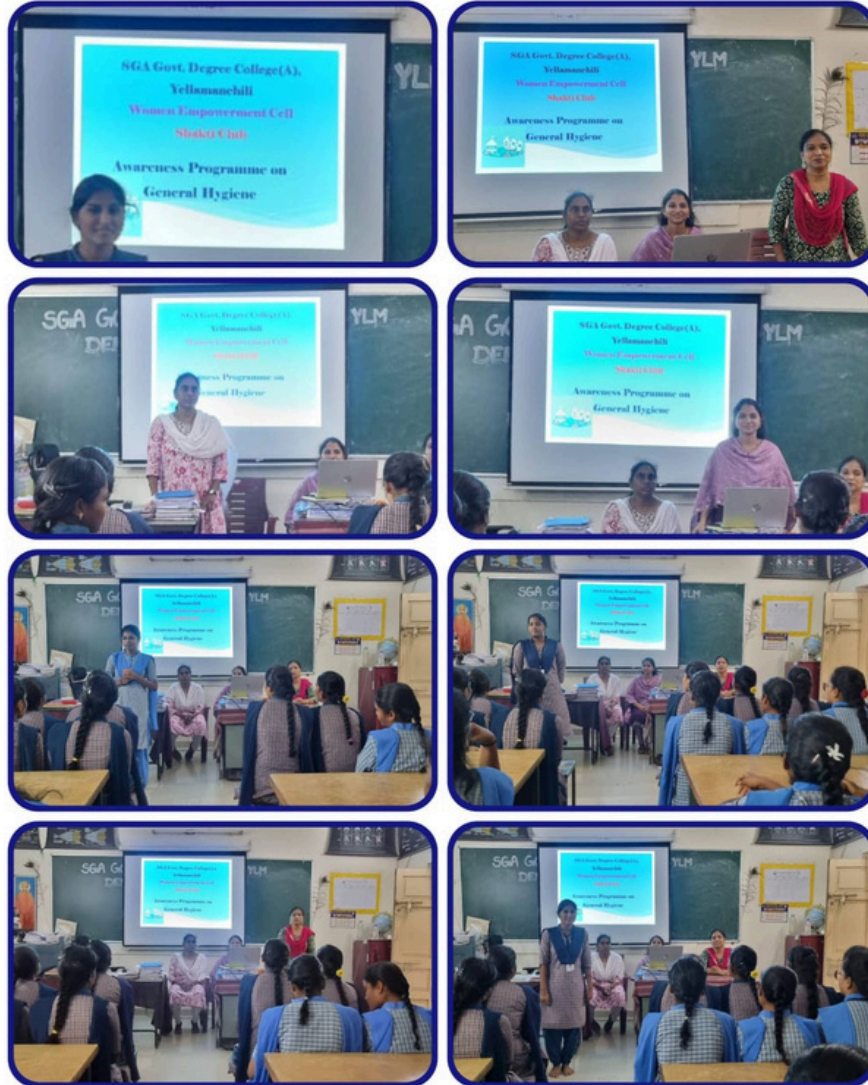

Setting Goal Day Empowering Students For A Purposeful Future

The event "INSPIRE - 2025: Setting Goal Day" was celebrated on September 11 with great enthusiasm and active student participation. The program was organized by Dr. A. Arjun Apparao, Lecturer in Zoology at S.G.A. Government Degree College, with the objective of guiding students towards setting meaningful goals for their academic and personal development. During the session, Dr. Apparao emphasized the importance of having a clear vision and strong determination to achieve success. The event served as a source of inspiration and direction, leaving students feeling motivated, confident, and better prepared to pursue their goals with clarity and commitment.

"Awareness Programme on General Hygiene Organized by Women Empowerment Cell"

The Department of Women Empowerment Cell successfully organized an Awareness Programme on General Hygiene. The event aimed to educate students, especially young women, about the importance of maintaining personal and environmental hygiene as a vital aspect of overall well-being. This initiative reflects the continuous efforts of the Women Empowerment Cell in educating and empowering students towards leading healthier and more informed lives.

Inauguration of B.Com BFIS Course Souvenir

Sri Gurajada Apparao Government Degree College, Yellamanchili proudly inaugurated the souvenir of the B.Com BFIS (Bachelor of Commerce in Banking, Finance, and Insurance Studies) course. This special edition commemorates the journey and achievements of the BFIS students and faculty. The event was graced by the presence of the Principal, Dr. P. Chandra Shekar, who emphasized the importance of documenting academic milestones and celebrating student creativity. The souvenir includes articles, research papers, student achievements, and creative contributions related to banking, finance, and insurance. The ceremony concluded with words of encouragement for the students to continue striving for excellence in their academic and professional pursuits.

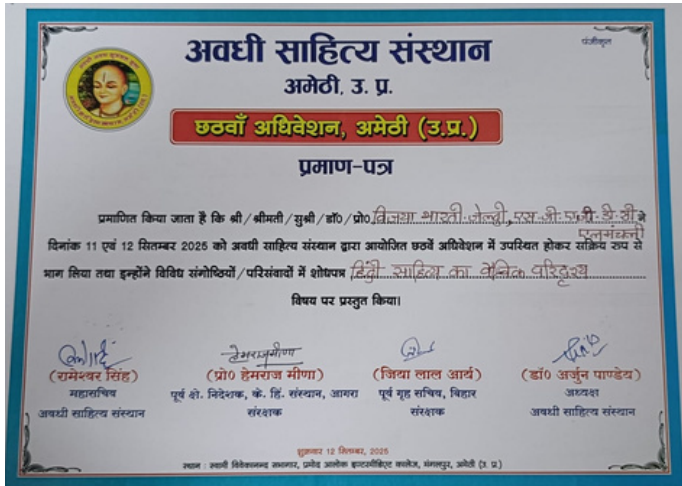

Celebrating the Spirit of Democracy - International Democracy Day

The Departments of History and Economics at SGAGDC Yellamanchili celebrated International Democracy Day. The event included speeches, student presentations, and debates focusing on the importance of democracy in ensuring freedom, equality, and justice. The event featured thought-provoking speeches, student presentations, and interactive discussions highlighting the theme "Empowering the Next Generation Through Democracy. Faculty members from both departments emphasized the historical evolution of democratic systems and the economic significance of democratic governance in shaping inclusive growth. Students pledged to uphold democratic values and participate actively in society.

**Dr. Vijaya Bharathi Felicitated
at Kavi Sammelan and Sahitya Vimarsh**

The Avadhi Sahitya Sansthan, Amethi, organized a vibrant Kavi Sammelan and Sahitya Vimarsh on bringing together poets, scholars, and literature enthusiasts to celebrate the richness of Hindi and regional literature. During the event, renowned academician and literary figure Dr. Vijaya Bharathi was felicitated for his outstanding contribution to Hindi literature and education. The Sansthan honored him with a shawl, memento, and citation, recognizing his years of dedication to literary scholarship and cultural promotion. Dr. Bharathi, in his address, emphasized the importance of preserving regional languages and literary traditions while nurturing young voices in literature. The event also featured powerful poetry recitations, critical discussions, and tributes to literary greats.

We are proud to announce that Sri Ch. Vijay Kumar, faculty member of Sri Gurajada Apparao Government Degree College, Yellamanchili, has been appointed as a Member of the Board of Studies (BOS) in the subject of Maths. This prestigious appointment reflects his academic excellence, subject expertise, and dedication to higher education. As a BOS member, he will contribute to curriculum design, academic policy development, and quality enhancement in the subject. The SGAGDC fraternity congratulates Mr. Vijay Kumar on this well-deserved recognition and wishes him continued success in his academic journey.

Giving guest lecture at another college

G. Kiran Kumar, Faculty Member, Delivers Guest Lecture at Another College Mr. G. Kiran Kumar, a dedicated faculty member of our college, recently had the opportunity to deliver a guest lecture at a neighboring institution. During his session, he shared valuable insights engaging students and faculty with his in-depth knowledge and practical examples. His lecture was well-received and appreciated for its clarity and relevance, fostering academic exchange and strengthening collaboration between the two colleges. This event reflects our college's commitment to contributing to the wider educational community through faculty expertise and outreach.

Raising Ozone Awareness: Chemistry Department

The Department of Chemistry proudly celebrated World Ozone Day on September 16th to raise awareness about the importance of the ozone layer and the urgent need to protect it. The event began with a brief introduction to the ozone layer's role in shielding the Earth from harmful ultraviolet (UV) radiation. Faculty members and students participated enthusiastically in discussions and presentations highlighting the causes and consequences of ozone depletion. As part of the celebration, the department organized informative sessions focusing on the impact of pollutants such as chlorofluorocarbons (CFCs) and the global efforts undertaken through the Montreal Protocol to restore the ozone layer. Students showcased creative projects and posters illustrating the significance of preserving the ozone layer for future generations.

Raising Ozone Awareness: Botony Department

The Department of Botony proudly celebrated World Ozone Day on September 16th to raise awareness about the importance of the ozone layer and the urgent need to protect it. The event began with a brief introduction to the ozone layer's role in shielding the Earth from harmful ultraviolet (UV) radiation. Faculty members and students participated enthusiastically in discussions and presentations highlighting the causes and consequences of ozone depletion. As part of the celebration, the department organized informative sessions focusing on the impact of pollutants such as chlorofluorocarbons (CFCs) and the global efforts undertaken through the Montreal Protocol to restore the ozone layer.

Students Shine In Kabaddi Competition

A group of enthusiastic students from S.G.A. Government Degree College actively participated in the Kabaddi competitions held as part of the Golden Jubilee Celebrations at Visakha Government Degree College, Visakhapatnam. The event, organized to commemorate 50 years of academic excellence and sportsmanship, brought together teams from various colleges across the region. The participating students showcased great skill, teamwork, and determination on the field, earning appreciation from the audience and organizers alike. Their spirited performance reflected the college's strong emphasis on physical fitness, discipline, and holistic development.

Seminar given by Dr. Lakshmi Mangamma, Resource person

Speech Highlights by Dr. J. Lakshmi Mangamma, M.Sc., Ph.D., Lecturer in Chemistry delivered an insightful talk at the seminar on Green Chemistry and Nanotechnology, emphasizing the urgent need for sustainable and environmentally responsible scientific practices. She highlighted how green chemistry offers safer, cleaner alternatives to conventional chemical processes by reducing hazardous substances and promoting energy efficiency. In conclusion, Dr. Mangamma stressed that the integration of green chemistry with nanotechnology not only addresses current environmental challenges but also paves the way for a cleaner, safer, and more innovative future.

"Students Shine at Kabaddi Competitions Held at Andhra University"

A team of enthusiastic students actively participated in the Volleyball Competitions organized by Andhra University. The event witnessed participation from various colleges across the region, promoting sportsmanship, teamwork, and physical fitness among youth. The students from our institution displayed exceptional talent, dedication, and team spirit throughout the matches. Their performance was commendable, reflecting their rigorous practice and passion for the sport. The competition served as a platform for students to gain exposure, enhance their competitive skills, and build inter-collegiate camaraderie. The institution remains committed to supporting students in all fields, including academics, sports, and cultural activities, and looks forward to many more such proud moments in the future.

"Students Join Hands for a Cleaner Tomorrow: Participation in NSS Swachha Andhra – Sundara Andhra Programme"

As part of the National Service Scheme (NSS), students actively participated in the "Swachha Andhra – Sundara Andhra" initiative, a state-level cleanliness and beautification campaign. The programme was successfully organized under the guidance of Dr. V. Chitti Babu, Lecturer in Commerce, and Dr. A. Arjun Apparao, Lecturer in Zoology. The campaign aimed to instill a sense of environmental responsibility among students while promoting cleanliness, hygiene, and sustainability in the community. Volunteers engaged in activities such as campus cleaning, plantation drives, waste segregation, and awareness rallies, all of which echoed the core values of the Swachh Bharat Mission and Andhra Pradesh's vision for a cleaner, greener state.

"Students Showcase Innovation and Research at Golden Jubilee Celebrations"

Students actively participated in various academic competitions organized as part of the Golden Jubilee Celebrations of Visakha Government Degree College for Women (Autonomous), Visakhapatnam. The prestigious event featured a range of intellectual and creative competitions, including Poster Presentations, Working Model Exhibitions, and Research Paper Presentations. Students from different disciplines showcased their talents, innovative ideas, and research skills with enthusiasm and academic rigor. The poster presentations focused on diverse themes addressing contemporary issues, scientific innovations, and social awareness. The working model segment witnessed creative and practical demonstrations reflecting problem-solving abilities and technological applications. In the research paper competitions, students presented well-researched and analytically sound papers, receiving appreciation from judges and participants alike.

Celebration of the 164th Birth Anniversary of Sri Gurajada Apparao

Organised 164th Birthday Of SRI Gurajada Apparao ,
Reformer & Father of Modern Telugu Poetry . On 20-09-2025

The 164th birth anniversary of Sri Gurajada Apparao, the renowned social reformer and father of modern Telugu poetry, was celebrated with great reverence and enthusiasm at our institution. The event was organized under the leadership of Principal Dr. P. Chandrasekhar, along with the dedicated support of faculty members. Sri Gurajada Apparao's contributions to literature and society were remembered and honored through insightful speeches, poetry recitations, and cultural performances by students and staff. The program aimed to highlight his progressive ideals, literary genius, and lasting influence on Telugu language and culture. This celebration served not only as a tribute to a legendary figure but also as an inspiration to the younger generation to embrace the values of social reform, creativity, and linguistic pride that Sri Gurajada stood for.

Faculty Leadership Shine and Students Participation

As part of the Golden Jubilee Celebrations at Visakha Government Women's Degree College (Autonomous), students actively participated in poster presentations and working model competitions, showcasing their creativity and innovation. The events highlighted the academic talent of the students across various disciplines. Faculty members contributed significantly by serving as judges, ensuring fair evaluation and encouraging students with valuable feedback. The celebrations reflected the institution's commitment to academic excellence and student development.

Campus Cleaning Drive Conducted After Heavy Rains

In the aftermath of recent heavy rains, the college campus experienced waterlogging and debris accumulation, affecting the cleanliness and safety of the environment. Demonstrating commendable initiative and teamwork, our Physical Education Teacher (PET), along with a group of dedicated students, actively participated in a campus cleaning drive to restore hygiene and order. The team worked together to clear pathways, remove debris, and ensure the surroundings were safe and conducive for academic activities. This act of responsibility and service reflects the strong sense of community, discipline, and environmental awareness fostered within our institution. We appreciate the efforts of all participants who contributed their time and energy for the well-being of the college.

Students Actively Participate in Blood Donation Programme

In a remarkable display of social responsibility and compassion, students from our institution actively participated in a Blood Donation Programme organized on campus. The event witnessed enthusiastic involvement from students who came forward voluntarily to donate blood, contributing to a noble cause that can help save lives. The programme was conducted in collaboration with certified medical professionals who ensured that the process was safe, hygienic, and well-managed. This initiative aimed to promote the spirit of humanity, awareness about voluntary blood donation, and the importance of helping those in medical need. We applaud the selfless contribution of our students and extend our heartfelt thanks to all the volunteers and organizers who made the event a success.

"Promoting National Language: Hindi Sapath"

SGA GOVERNMENT DEGREE COLLEGE (A)

YELLAMANCHILI, ANAKAPALLI DIST

Accredited by NAAC "A" Grade

Website : www.sgagdc.edu.in Email : sgagdc.jkc@gmail.com

Organised Hindi Saptah

PIC • COLLAGE

Sri Gurajada Apparao Government Degree College, Yellamanchili organized a Hindi Pledge (Sapath) program to promote respect for the Hindi language and encourage its use in daily life. Students and faculty members participated in the event by taking a solemn pledge to uphold the dignity of Hindi, to use it actively, and to contribute to its growth as a symbol of national unity and identity. The objective of the event was to raise awareness about the importance of Hindi as a national language and to inspire its greater use among the youth. The Principal Dr.P.Chandrashekar addressed the gathering and emphasized that Hindi is not just a means of communication but a reflection of our shared heritage and cultural pride.

Mr. Kishore Participates in Paper Presentation at Kakinada

Mr. Kishore, Lecturer in Commerce at Sri Gurajada Apparao Government Degree College, Yellamanchili, actively participated in a paper presentation seminar held at Kakinada. His research paper was well-received and appreciated by academicians and participants. The seminar provided a valuable platform for exchanging innovative ideas and promoting academic research in the field of commerce. The college congratulates Mr. Kishore on his active contribution to academic excellence and research.

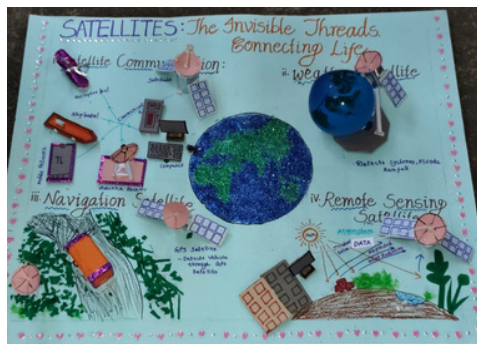

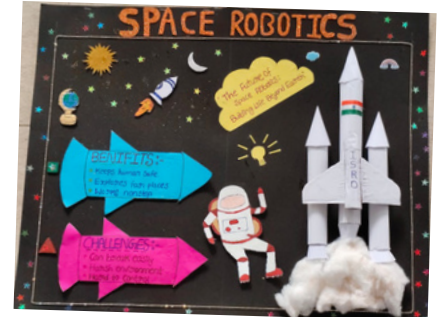

Faculty Leadership Shine and Students Participation

As part of the Golden Jubilee Celebrations at Visakha Government Women's Degree College (Autonomous), students actively participated in poster presentations and working model competitions, showcasing their creativity and innovation. The events highlighted the academic talent of the students across various disciplines. Faculty members contributed significantly by serving as judges, ensuring fair evaluation and encouraging students with valuable feedback. The celebrations reflected the institution's commitment to academic excellence and student development.

Organizing a One-Day National Space Innovation Exhibition

To inspire creativity and scientific curiosity among students, our college is organizing a one-day exhibition titled "National Space Innovation Exhibition". The exhibition will showcase innovative ideas and achievements in space science and technology. As part of the event, students will create and display informative and artistic posters highlighting key topics such as satellite technology, space exploration missions, astronomy, and future innovations in space research. This exhibition aims to deepen students' understanding of space science, encourage teamwork, and ignite a passion for innovation and discovery. Faculty members will guide the participants, and prizes will be awarded for the best posters. All students and faculty are invited to participate and witness the exciting journey of space innovation through the creative works of our young scientists.

Faculty Leadership Shine and Students Participation

Sri Venkanna, Lecturer in Physics, is currently engaged in groundbreaking research as part of his PhD work. His research focuses on aiming to contribute to new knowledge and innovations in the field.

Under expert guidance, Sri Venkanna is utilizing both experimental and theoretical methods to address complex problems and explore novel phenomena. His dedication to scientific inquiry and research excellence is evident through his ongoing work, which promises to have significant academic and practical implications. The department recognizes and applauds Sri Venkanna's commitment to advancing physics research and looks forward to the successful completion of his doctoral studies.
