Celebrations of Successful Soft Landing of Chandrayaan-3 on Lunar South Pole

REPORT ON CELEBRATION OF SUCCESSFUL SOFT LANDING OF CHANDRAYAAN-3

Organized by the Department of Physics, SGA Government Degree College, Yellamanchili

The Department of Physics, SGA Government Degree College, Yellamanchili, organized a special programme on **28th August 2025** to celebrate the historic achievement of **India's Chandrayaan-3 mission**, which successfully soft-landed on the **south pole of the Moon**. This momentous occasion marks India as the first nation to accomplish this extraordinary scientific feat, filling every Indian with immense pride.

The programme was conducted in the college seminar hall with enthusiastic participation from faculty and students.

The celebration began with a brief introduction about the significance of Chandrayaan-3's landing. **Head of the Department of Physics, Sri P. S. Jaggarao**, addressed the gathering and highlighted the scientific importance of exploring the Moon's South Pole. He explained how the mission demonstrates India's technological prowess, strengthens space research, and inspires young minds to pursue careers in science and research.

Following this, **Sri K. Venkanna, Lecturer in Physics**, enlightened the students about the technical details of Chandrayaan-3. He spoke about the **lander Vikram** and **rover Pragyan**, their mission objectives, and the challenges faced in soft landing on the rugged terrain of the lunar South Pole. He emphasized that this achievement was not just a scientific milestone, but also a symbol of India's growing self-reliance in space technology.

Several students also actively participated in the programme. They presented **detailed information about the mission**, including its timeline, objectives, instruments on board, and the scientific experiments planned to study lunar soil, minerals, and potential water ice deposits. The students' presentations reflected their keen interest and awareness of India's space advancements.

The Department of Physics proudly celebrated the historic achievement of Chandrayaan-3's successful soft landing on the South Pole of the Moon on actual landing – August 23, 2023. This monumental feat by the Indian Space Research Organisation (ISRO) marks a significant milestone in India's space exploration journey, making India the first country to land on the lunar south pole.

To commemorate this momentous occasion, the department organized a special event that included:

Faculty members, students, and research scholars participated enthusiastically, expressing immense pride in India's growing capabilities in space science and technology. The event aimed to ignite scientific curiosity and encourage young minds to pursue careers in astrophysics, aerospace, and related fields.

DEPARTMENT OF TELUGU

Organised Telugu Bhasha Dinotsavam
On The Eve Of Sri Gidugu Ramamurthy Birthday
On 29-08-2025

Telugu Language Day, also known as Telugu Bhasha Dinotsavam, was celebrated with great enthusiasm and cultural pride on August 29. This day is observed every year to commemorate the birth anniversary of the great Telugu poet, writer, and freedom fighter Gidugu Venkata Ramamurthy, who made significant contributions to modernizing the Telugu language. The celebrations began with the lighting of the lamp and floral tributes to Gidugu Venkata Ramamurthy's portrait. Speeches were delivered by teachers and dignitaries, emphasizing the richness, history, and literary legacy of the Telugu language. Students showcased their love for their mother tongue through a variety of cultural programs.

National Sports Day celebrations

National Sports Day was celebrated on 29th August with great enthusiasm and patriotic spirit in our school/college. This special day is observed every year in honor of the legendary Indian hockey player Major Dhyan Chand, whose birthday falls on this date. The main aim of celebrating National Sports Day is to spread awareness about the importance of sports and physical activities in daily life. It is also a day to honor athletes and encourage young talents to participate in sports.

The celebration began with a tribute to Major Dhyan Chand, acknowledging his incredible contribution to Indian sports. A special assembly was conducted where students delivered speeches about his achievements and the value of sports in our lives.
